INSPECTION REPORT

BUDAPEST, HUNGARY

December 14th – 17th, 2012

WELCOME

The Organizing Committee of the Hungarian Bodybuilding & Fitness Federation extends a warm welcome to all IFBB National Federations to participate in the IFBB Amateur World Junior & Masters Bodybuilding, Classic Bodybuilding, Fitness, Bodyfitness, Bikini Championships in Budapest, Hungary, December 14 – December 17, 2012.

ABOUT BUDAPEST

The phrase „Central European” is not nearly a geographical definition; it refers to the fact that the Hungarian capital, Budapest, is more than just a capital of a small country with 10.5 million inhabitants. It is also the product of a larger area, of a particular European region: Central Europe. Located in central Europe’s Carpatian basin, Hungary has been the link in the chain connecting east and west for thousands of years. The ancestors of Hungarians, or Magyars, lived in the Ural Mountains. They had close linguistic ties with other Finno-Ugrian peoples and shared certain anthropological and cultural traits with the Turks.

Budapest’s most important attraction is the world-famous Buda-Castle on the west side of the Danube (granted UNESCO World Heritage Status in 1987). Budapest is the „City of Festivals”; several major cultural events are held in and around the city every year. There are over 90 major museums in the region; local history collections, regional architecture and small village museums provide additional perspectives on civilization in the area. The museums with internationally-renowned collections include: the Museum of Applied Arts, the

Museum of Fine Arts, the National Museum, the National Gallery, and the Ludwig Museum in Budapest. It is definitely worth mentioning the Synagogue on Budapest's Dohány Street because it is the largest synagogue in Europe and the second largest in the world. The Jewish Museum around the corner has an unique collection of traditional Jewish artifacts.

Budapest is visited by 40 million tourist per year.

All major credit cards are widely accepted at most major hotels, department stores and restaurants. You may be requested to show your passport.

CLIMATE

During the month of December, the average temperature is 0⁰ – 2⁰ C.

ELECTRICAL CURRENT

The electrical outlets are 220 V, 50 Hz. Socket / plug of type C plug, with two round prongs, popularly known as the europlug and used in all continental Europe countries.

LANGUAGE

The official language in Budapest is Hungarian. English is widely spoken in hotels, restaurants, shopping centers and tourist areas.

ATHLETES WITHOUT DELEGATES

All Athletes competing at IFBB World Championships must be Members in Good Standing of their National Federations. Any Athlete who arrives without a Delegate must carry an **Official Letter of Authorization of Participation** from his National Federation, failing which the Athlete will not be allowed to participate.

FAILURE TO HONOR FINAL ENTRY FORM DEADLINE

Deadlines are set to assist the Organizer with arranging accommodations, meals, onsite transportation and other Championship activities. A failure to respect these deadlines is a breach of *IFBB Rules*. The IFBB reserves the right to deny participation to any National Federation that does not respect the deadlines for submitting the Final Entry Form.

If a National Federation fails to respect the deadline written on the Final Entry Form, each “Official Participant” from that federation will be required to pay all of his or her own expenses, including accommodations, meals, onsite transportation, and access to the Prejudging, Finals and Farewell Banquet.

MISREPRESENTATION

Misrepresentation is a serious breach of the *IFBB Code of Ethics* and occurs when an “official” of a National Federation deliberately misrepresents the number of Athletes and Delegates so as to obtain free-of-charge accommodations, meals, onsite transportation, access to the Prejudging, Finals and Farewell Banquet, and other amenities at the expense of the Organizer.

Part of this misrepresentation may be a false claim that a person is an Athlete only to have that so-called Athlete fail to officially register as a competitor at the Weigh-in or, once having officially registered, fail to compete.

Any National Federation found guilty of misrepresentation will be immediately disqualified from the Championships and will be fined an amount equal to the Special Package Rate for each person involved.

MEDICAL WITHDRAWAL

Once officially registered, no Athlete may withdraw from competition without the prior approval of the IFBB Chief Judge. It is not acceptable for a National Federation to unilaterally withdraw an Athlete without the prior approval of the IFBB Chief Judge, who has the right to verify the reason for the withdrawal.

Any National Federation that fails to seek the prior approval of the IFBB Chief Judge before withdrawing an Athlete shall, for that Athlete's non-participation, be fined an amount equal to the Special Package Rate.

FAILURE TO COOPERATE

Failure to cooperate with the Organizing Committee is contrary to the IFBB *Code of Ethics* and may result in disciplinary measures being taken by the IFBB against the offending National Federation.
