## ABOUT KYIV

Welcome to Kyiv, the capital of Ukraine, with ancient historical traditions, unique culture and European-style of life.

Kyiv is one of the most beautiful cities of the world that picturesquely spreads on the Dnipro river hills. As others old cities Kyiv has no exact date of foundation. According to the legend, Kyiv was founded more than 1,500 years ago by three brothers Kyi, Schek, Khoryv and their sister Lybid. The city was named after the oldest brother Kyi. In the 9th century Kyiv became the capital of the Ancient Rus. The territory of this independent state stretched out from the Baltic Sea in the North to the Black Sea in the South and from Volga River in the East to the Carpathians Mountains in the West. Kyiv is often referred as "the mother of all cities" by Russians and Ukrainians and as a cradle of Slavonic civilization.

Since then, Kyiv has developed into an important center of East Europe attracting foreign businesses and investors to its economic and natural potential. Considering population Kyiv is among the 10 largest cities of Europe. Its historical path is related to the great political and cultural events in Europe and represented in many age-old architectural monuments. 2148 objects of history and culture are located on the territory of Kyiv. Among them are over 100 museums 33 theatres and theatres-studios 53 cultural buildings 140 libraries, 20 concert organizations and independent musical collectives that are working in the capital of Ukraine.
